

Dr. Lukas Burk

RESEARCHER IN MACHINE LEARNING & BIOSTATISTICS

 lukasburk.de  jemus42

Education

M. Sc. in Medical Biometry / Biostatistics

University of Bremen

Bremen, Germany

2021

- Thesis – A Comparison of Deep Learning Models for Energy Expenditure Prediction in Preschoolers

B. A. in Public Health

University of Bremen

Bremen, Germany

2018

- Thesis – Detection of Concomitant Use of Medications in GePaRD

Work Experience

Research Fellow

Leibniz Institute for Prevention Research and Epidemiology - BIPS

Bremen, Germany

Since 2026

PhD Student / Research Fellow

Leibniz Institute for Prevention Research and Epidemiology - BIPS / Chair of Statistical Learning and Data Science, LMU Munich

Bremen and Munich, Germany

2021 – 2026

Internship – Biometry

Leibniz Institute for Prevention Research and Epidemiology - BIPS

Bremen, Germany

2019

- Creation of a handout on the topic of count data and modeling approaches under zero-inflation and underdispersion
- Descriptive tables for validation purposes in the context of an ongoing study

Student Assistant

Competence Center for Clinical Trials (KKSB)

Bremen, Germany

2019

- Support during the analysis of study data
- Descriptive tables
- Exploratory linear regression modeling

Internship – Biometry, Epidemiology

Leibniz Institute for Prevention Research and Epidemiology - BIPS

Bremen, Germany

2016 – 2017

- Creation of an R / Shiny application for interactive data validation
- Data management and descriptive statistics

Teaching

Teaching assistant – Programming with Statistical Software (R)

LMU Munich

Munich, Germany

2022 – 2023

- Programming course aimed at students in statistics, data science, machine learning
- Preparation and assessment of programming exercises

Teaching Assistant – Quantitative Methods

University of Bremen

Bremen, Germany

2014 – 2018

- Tutorials for first year undergraduates in psychology
- Basics of descriptive and inferential statistics
- Application of these contents using R & RStudio
- Yearly course “Introduction to R”

Introduction to R

BIPS / RKI CArE Program

Bremen, Germany

2025

- Developed and held short course in cooperation with RKI CArE program
- Materials available on GitHub

Introduction to Machine Learning

BIPS, held by Marvin N. Wright

Bremen, Germany

2021, 2023, 2025

- Assisted with course as part of UBRA DataTrain program
- Course materials available on GitHub

Publications

Published Articles
